A Report on Jal- Diwas Celebration on 22-07-2019

Today Climate Change is a serious problem prevailing in the globe. Out of many issues associated with Climate Change, one is associated with availability of potable water. Water is essential to our daily lives. It is important to remember that care in our water use habits should not only be taken in times of water shortage. Sensible water use can reduce the amount of stress that is placed on our resources, both by limiting water withdrawals and by decreasing wastewater distribution. Conserving water reduces wear and tear on major resources such as water and wastewater treatment plants and the distribution systems that deliver water to the public. Using less water can also enable us to become more flexible during times when there is a water shortage. With these and many other ideas for water conservation, Jal-Shakti Abhiyan is initiated by Government of India to bring awareness in citizens about water conservation.

Under this initiative, Jal-Shakti Diwas is celebrated on 22nd July in all the AICTE approved institutes.

Major Outcomes of Event:

Jal-Shakti Diwas was celebrated on 22nd July 2019 at ROFEL, Shri G.M. Bilakhia College of Pharmacy, Vapi. Students are the integral part of the society and thus our NSS unit organized four different events for water conservation awareness in the society. The events included-

Tree Plantation drive by the students in the campus of ROFEL, Shri G.M. Bilakhia College of Pharmacy, Vapi.

Poster making competition was carried out among the students with the theme of "Innovative Techniques for Water Conservation"

Awareness campaign was done in the nearby schools by showing power-point presentation on "Water Conservation Issue and Ideas to solve the problem" to the students.

Detailed information was given by the volunteers on Water Crisis in the Globe and major conservation ideas to solve the problem, thereby bringing awareness. Knowledge about intensive afforestation, rain water harvesting, etc was also demonstrated. **Some photographs to commemorate the event are shared below.**
